# WELCOME to Chester Arts Fair 2020

Chester Art Fair was created initially to help to artists elevate themselves with collectors and sell artwork to a regional audience. Following its success eight years on, the Fair has grown from strength to strength, which is demonstrated in its growing reputation both nationally and internationally. It is wonderful to see the success stories of previous exhibitors gaining recognition in the art world.

Chester Art Fair's mission is uncovering and nurturing new and innovative creative talent, allowing artists to forge direct relationships with potential buyers and gallerists. The most recent edition of the fair attracted over 5,000 art buyers, with guests including representatives from leading galleries and publishers. Celebrated for its unique and engaging visitor experience, it is now considered to be a platform to discover new and emerging talent.

**Chester** is a dynamic cultural destination with a reputation for presenting the very best in visual art through its public institutions, private collections and leading commercial galleries.

Chester Arts Fair is a highlight on the city's cultural calendar attracting a number of the most influential and affluent individuals and art enthusiasts from all over the county of Cheshire and the North.

The Fair takes place at Chester Racecourse each year, one of Chester's most prestigious venues. Centrally located in the heart of the city centre, the venue is connected by all major road networks allowing both exhibitors and visitors to find us with ease. Ample parking at the venue means there are no additional costs to exhibitors for loading,

unloading or keeping your vehicle at the Racecourse over the weekend.

In addition, the Fair ties in nicely with the opening of Chester Christmas Markets. Located in the centre of town just a short 10-minute walk from the Racecourse, this gives exhibitors the opportunity to explore Chester lit up with a warming Christmas glow and to enjoy a mulled wine or two. The opening of the markets also draws Christmas shoppers into the city and the Fair is the perfect place to continue their search for a special and personal gift.

**Chester Arts Fair** is the North's leading artist art fair, dedicated to creating a unique and memorable experience for all exhibitors. **Benefits of exhibiting include:**

- Inclusion in extensive marketing campaign including promotion across social media to 20,000 plus, monthly email marketing to database of CAF visitors, art buyers and collectors. In addition, where possible you will be included in press advertising regional and national newspapers and magazines.
- Exposure to high net-worth individuals and clients from major corporate sponsors and partners.
- Opportunity to meet new buyers and collectors from all over the North West including Cheshire, the Wirral, Liverpool, North Wales and as far as Manchester.
- Invite to exclusive exhibitor party throughout the weekend to network with other artists.
- Full support from the whole CAF team before, during and after the Fair whether you need advice on pricing assistance with setting-up or taking down, we are on hand to make the experience as seamless as possible.
- Opportunity to explore the City of Chester and meet buyers looking for those special, personal Christmas gifts. We work closely with our restaurant and hotel partners to ensure additional costs are kept as low as possible.

“Chester Arts Fair was a really exciting event for me and so well placed in Chester. It was extremely well run, I enjoyed meeting other artists and the number of visitors coming through the door was really encouraging, so delighted to have sold many paintings at the Fair.”

- Angela Scott, CAF exhibitor

# Who is Chester Arts Fair for?

During the 8 years that Chester Arts Fair has been running it has become apparent that one of the highlights for visitors is the opportunity to talk directly with the artists to find out the history of the work they are buying, the artists' background and influences and to develop a relationship before making a purchase. For that reason, in 2016, Chester Arts Fair became a predominantly artist only Fair, giving professional and emerging artists the opportunity to meet new buyers and collectors from all over the North of England and Wales and keep 100% of the profits.

As well as inviting buyers and collectors to the Fair, throughout the weekend a number of gallery representatives from Chester, Liverpool and Manchester, as well as smaller galleries in the area visit to also meet exhibiting artists and make business connections.

Chester Arts Fair welcomes professional and emerging artists working in a variety of visual arts to apply including painting, photography, sculpture, glass, ceramics, textiles, illustration and drawing and digital prints. Once you have completed and submitted your application form, the organisers will view your work online and should you be successful you will be offered a space for 2020.

“The best exhibition I’ve been to in years. The range and variety of work is most impressive. I really liked the demonstrations and the opportunities to talk to the artists before we bought our pieces.” Visitor
